Mission Statement: The University of Wyoming Recycling Program is dedicated to reducing waste on campus. We believe in a standard of excellence and are committed to provided quality service to the UW campus. It is the intent of this program to provide work experience for our student employees enabling them to develop valuable marketable skills while achieving their academic goals. We believe it is our responsibility to provide education on campus, in our community and state that focuses on the benefits of reducing, reusing, and recycling all of our resources. UW Recycling is committed to being a progressive leader in solid waste reduction in the Rocky Mountain Region.

Remember, U Make It Work!

Businesses Utilizing Recyclable Waste in Products

We encourage you to patronize the following businesses. Each business must adhere to strict quality control standards for their finished product and presently have contracts in place for supplies of waste. Therefore, we request that you do not attempt to provide waste materials to these businesses unless the firm is listed in the "Recycling Center" portion of this directory.

CNZ
672-9797

FAX 673-7138

Address: 932 Kroe Lane
Sheridan, Wyoming 82801

Contact: Orrin Connell

Hours: Monday - Friday, 6:00 a.m. to 9:00 p.m.
Saturday, 8:00 a.m. to 4:00 p.m.

Products: Wood pellet fuel,
Animal bedding from pine wood shavings, and
Absorbents (made from dry wood shavings) for water, chemical, & animal
waste cleanup.

GP Gypsum Corporation
548-2283

FAX 548-2208

Mailing address: P. O. Box 756
Lovell, Wyoming 82431

Contact: Suzanne

Product: Wallboard from recycled paper
(Recycled paper and paper products are just one of several constituents in this
product.)

Note: No paper products are accepted from outside sources.

«« Give your extra rubber bands to the newspaper for reuse. »»

«« Steel cans are the industry's name for tin cans.
Some recycling centers want only those steel cans which
contained human food (and not pet food). »»
